

FOUNDERS DAY: Northwood University recently celebrated its 40th annual Founder's Day with the theme 'Celebrating Northwood University Founders and Success at 40.' The celebration was part of an annual student-driven event honoring Northwood founders by recognizing the synergies between their vision, purpose and mission for educating students. On hand, from left, were Emerson Swallowell, Founders Day Committee member; Jerry Fullinwider, board of governors; C.D. Shamburger, committee member; and Stephanie Curtis, Founders Day Committee chairwoman.
